LETTER OF APPRECIATION AND CONFIRMATION OF SUPPORT

Dear Pastor Simon Peter Sesay,

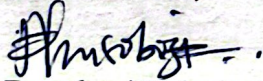

On behalf of Days of the Voice Fellowship, we sincerely appreciate you and the brethren of Bible Believers Tabernacle for your financial support toward our ministry work.

We confirm that your church has supported our church building project and has also provided financial assistance toward our missionary activities, including support for our pastor to travel and conduct mission work in Ethiopia, Karamoja among other places.

We are grateful for your continued generosity and partnership in the work of the Gospel. Your support has been a great blessing and encouragement to our fellowship and ministry activities.

May God richly bless you, your family, and the entire congregation of Bible Believers Tabernacle.

Yours in His Service,

Pastor Busobozi Talemwa
